

Servicing education

Cleaning Presentation Services,
Specialty Works and Sustainable
Waste Management

Who is Quayclean?

Quayclean is a young, passionate and relationship driven presentation services provider, supporting some of Australia's largest and most prestigious educational, entertainment, government and stadium facilities, and major events.

Founded in 2002, Quayclean now has over 5000 team members with operations spanning across Australia. The benefit of committing to a directly employed staffing model – we have an experienced, trained team who are presented with real career opportunities. Our diverse industry experience provides the business with transferable skills, encouraging a 'different way of looking at things'!

We bring our diversified skill set, developed at iconic venues such as the Sydney Opera House, Adelaide Oval, Melbourne & Olympic Parks and world class events including the 2018 Gold Coast Commonwealth Games to our prestigious educational facilities. Led by our Education Services Team, Quayclean supports a range of educational sites including large independent schools, tertiary facilities, primary schools, boarding houses, lecture theatres, vocational learning areas, cafeterias, school sports facilities and school events.

- Uniform and clothing seamstress services
- Sustainable recycling and waste management
- Hygiene and pest control
- Day to day maintenance services

Our patented cleaning products and techniques are ideal for the vast array of requirements within educational facilities.

Sash Petrevski, Founder and Director

Why not ask our clients?

Your onsite cleaning team are doing a superb job. The cleaners have carried out additional cleaning tasks with efficiency and with a great attitude. Your team here is a credit to your company – one that you should be proud of. I appreciate the swift response to all of my requests I have had over the past few weeks to ensure our facility is as clean as possible.

Keith Stevenson, Facilities Manager, SCEGGS Darlinghurst

The School went through an extensive procurement process and was very pleased with the competitive and qualitative review that saw the contract awarded to Quayclean. The company has an excellent reputation in the industry and will assist in ensuring the School meets not only all of the important risk and compliance requirements but also enabling a hygienic and COVID safe environment to be in place across our campuses.

Mark Glover, Business Manager, Trinity Grammar
